Form - Duty of Candour Annual Report

All health and social care services in the UK have Duty of Candour responsibilities. This is a legal requirement which means that when things go wrong and mistakes happen, the people affected understand what has happened, receive an apology and organisations learn how to improve for the future.

An important part of this duty is to provide an annual report about the duty of candour in our service. This short report describes how the Care Home has operated the duty of candour during the last year. We hope you find this report useful.

What year does this annual report relate to?: 2025

Who is completing the report: TH20041

Job Role: interim manager

Provide a short narrative about your service: Trinity house care home is a luxury 55 bedded home that provides premium all inclusive residential, dementia and respite elderly care for private funded residents . Our highly trained and dedicated staff provide person centred care ensuring the wellbeing, happiness and comfort of all our residents. We work closely with our residents and families to create detailed care plans and for those who require something more specific or complex support we have experienced nurses available around the clock.

Within the last 12 months, how many incidents have there been at the home, to which the duty of candour applied.: 0
